FOSTERING A MULTIFACETED LEARNING ENVIRONMENT

Our pedagogy embraces a diverse range of intelligences, empowering students to explore their unique strengths and develop well-rounded skills.

ENGAGING MINDS : A MULTIFACETED APPROACH TO LEARNING

MULTIPLE INTELLIGENCE

Students' exhibit different learning styles and multiple intelligences, a properly planned, conduct and assessment system is really required to outline the types of learning techniques that works best with individual students.

LEARNING WORKSHEETS

Worksheets are an effective tool in ongoing efforts encouraging our students to engage their brains during class. Worksheets used in class can also help direct students' learning out-of-class.

MONTESSORI + FUN GAMES

Every child goes through a unique development process and is a unique individual that can learn in line with his or her capacity. It was Montessori's belief that knowledge requires more than simple memorization of educational material.

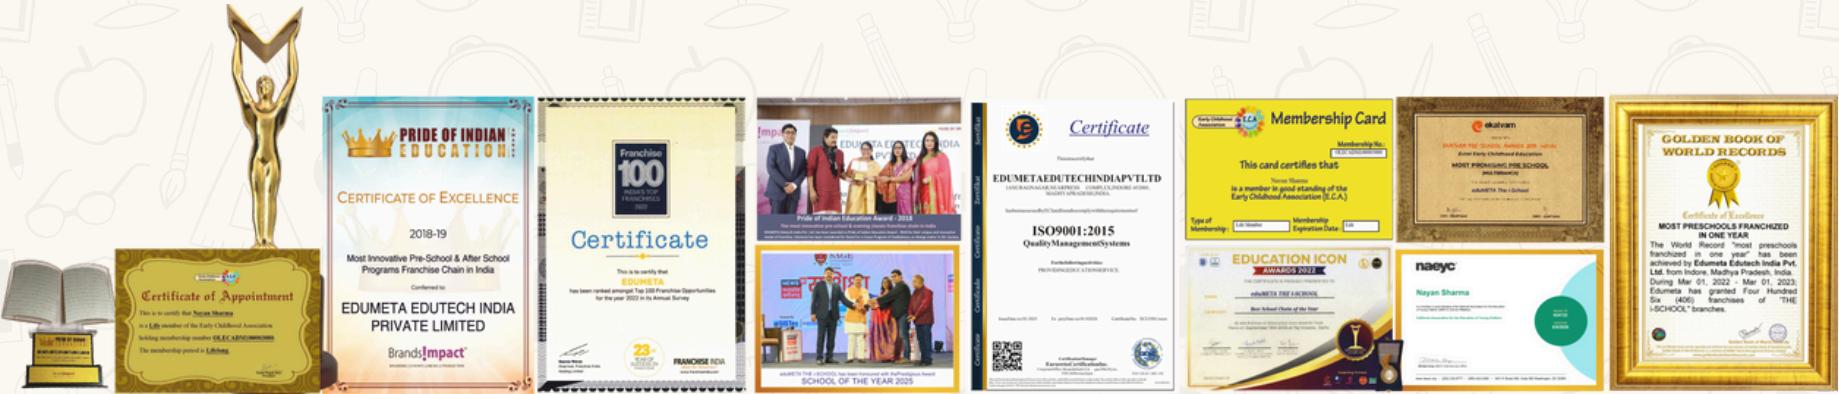

eduMETA APP

The eduMETA App keeps parents and guardians connected to their child's activities with ease. It provides instant access to updates, photos, and notifications, all in one place. Whether at home or on the go, staying informed is just a click away.

A Legacy of Excellence: eduMETA THE i-SCHOOL Achievements

eduMETA THE i-SCHOOL has consistently demonstrated its commitment to providing exceptional early childhood education. With a focus on innovation, quality, and student well-being, the school has garnered numerous accolades, including ISO certification and prestigious awards. These achievements highlight our dedication to nurturing young minds and setting new standards in the field of early childhood education.
